GOZO REAL ESTATE

Description

€595,000

This penthouse with a private pool is located in an elevated position, and beautifully finished with attention to every detail creating flexible accommodation. All the spaces have been utilised to their full potential, and no internal space is wasted as there are also no corridors. The property enjoys views across the village of Qala and sea views of the Gozo-Malta channel.

Three bedrooms, one en-suite, and a family shower room, lead directly off the spacious combined living and dining area with 'real fire effect' feature. Opening onto the same space is a fully fitted custom designed kitchen (with washing m/c, dishwasher, oven, hob, extractor, microwave, fridge, and R/O unit), and utility room.

All bedrooms and the living area have air-conditioning perfect for both cooling in the summer months and heating in the winter. Both bedrooms have remote controls for managing the electric blinds.
