GOZO REAL ESTATE

Description

Welcome to this enchanting farmhouse, boasting a rich history dating back to the mid-18th century and seamlessly blending old-world charm with modern elegance. As you step inside, you're greeted by one of the oldest rooms in the house, currently used as a picture gallery. This leads directly to a spacious bright living room adorned with expansive windows and doors, offering panoramic vistas of the sweeping sea and the iconic Gordan lighthouse. Picture-perfect sunsets await as you lounge by the pool, indulging in a glass of wine or a refreshing beer.

The outdoor entertainment area beckons, also leading to a cascading lower garden, creating a serene retreat on the hillside. The main level features a separate kitchen, flowing effortlessly into the combined dining and living area, complemented by a convenient guest toilet, utility room, and a quaint small yard. Both kitchen and living areas are air-conditioned and the living room benefits from a wood-burning fireplace for those cosy winter months.
